This is an open estuary event and conditions can be rough. All paddlers must wear a buoyancy aid and all boats must have adequate buoyancy. Paddlers need to assess the conditions against their own ability before paddling.

Fees will be refunded if a paddler withdraws due to the conditions.

I know that participating in a canoeing or kayaking event is a potentially hazardous activity. I should not enter and paddle unless I am medically able. I declare that I can swim and handle a canoe competently and I will not take part in the event unless I am medically fit on the day and acknowledge that I do so at my own risk. I agree to abide by any decisions of an event official relative to my ability to safely participate in the event. I assume all risks associated with participating in this event including, but not limited to, risks associated with entering or exiting the water, contact with other participants, the effect of the weather, including extreme heat or cold, hypothermia, traffic at the event site and the suitability of water conditions on the day, all such risks being known and appreciated by me. Having read this waiver and knowing these facts, I, for myself and for anyone entitled to act on my behalf, waive and release Canoe Wales, the event organiser, all sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event.
